Going offsite between the rehearsal and the concert

We appreciate that, for some ensembles, there is a large gap between the rehearsal/concert.

If this applies to your child:

- You are welcome to sign your child out after their rehearsal if you prefer. Children who do not have permission for lone travel will not be allowed to leave site without an adult.
- If you gave consent on your attendance form for your child to travel alone/leave site in between their rehearsal and the concert they will be able to sign themselves out.
- All performers must return to the venue by 7.15pm at the very latest.

Remaining onsite between the rehearsal and the concert We have an additional space booked for children whose parents would prefer them to remain onsite. If you would like your child to stay onsite, we ask that you provide a book, water, and a NUT FREE snack.

Tickets You do not need to buy a ticket for any child who is going to be performing in the concert. Audience Tickets have now sold out but you can [register for the waiting list here](#). Please direct any ticketing concerns to [The Exchange Box Office](#)
